

**If you are not
accompanying your
children, make sure...**

**They wear a watch and
know when their
curfew is.**

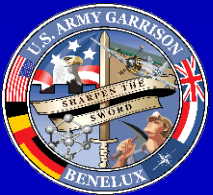

**Have enough
money to call
home if needed.**

**Not to eat any candy until
they get home and you
inspect it first.**

**You and your children know
in advance the route they
will be taking.**

- ☒ **Be careful when crossing streets.**
- ☒ **Walk on sidewalks, not in the street.**
- ☒ **Walk on the left side of the road, facing traffic if there are no sidewalks.**
- ☒ **Walk, do not run, from house to house.**
- ☒ **Do not cross yards and lawns where unseen objects or the uneven terrain can present tripping hazards.** 

**Never let your
children trick or
treat alone!!
Especially under the
age of 12.**

**It makes it
hard to
kidnap kids if
other kids are
around.**

**Have them walk with lots
of friends.**

Costume Safety

Tips:

- Make sure the materials are resistant.
- Choose bright colors or add reflective tape.
- Make sure the costume's not a tripping hazard.
- If it's cold outside, wear warm clothes under the costume.

**If they go without
you, remind your
children to...**

**Trick-or-treat in
familiar
neighborhoods--at
homes of people you
know. If approached by a 
stranger, go to the
nearest well lit house
and find an adult.**

**Don't trust anyone they
don't know or recognize
(even if they think they're
just fooling around).**

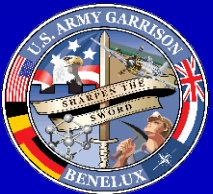

And for all of you
who are old enough
to do so...
